DON'T JUST DREAM IT, GO GET IT

» **Understanding Mental Health in Performance**

MENTAL SKILLS TRAINING

Visualization

Seeing and feeling yourself succeeding

Mindset

How your approach can support or detract

Rituals & Routine

Structure signals the body it's go time

Mental Toughness

Push yourself to the limit so your talent will surface

and more...

Athletes spend countless time and money to improve their performance on the field yet often neglect the mental side of the game. This event will explore the mental side of performance and how sports can create positive mental health.

Who should attend: competitive athletes and their parents grades 4-12.

Where: Eatontown Community Center
When: Wednesday April 2nd
6:30-7:30pm

Register Online: www.EatontownRecNJ.com
